

MERCY AT-A-GLANCE

EXCELLENCE TOGETHER

MERCYROCKFORD
Health System

In 2014, Mercy merged with Rockford Health System, bringing even more specialty services close to home.

- Mercy is a comprehensive integrated health care system consisting of 70 facilities in 24 communities throughout the Wisconsin counties of Rock, Walworth, Green and Jefferson, and the Illinois counties of McHenry, Lake, Kane and Cook.
- Mercy Hospital and Trauma Center, Janesville, Wisconsin, is a 240-bed acute care facility.
- Mercy Harvard Hospital, Harvard, Illinois, is a 63-bed combined facility.
- Mercy Walworth Hospital and Medical Center, Lake Geneva, Wisconsin, is a 25-bed acute care facility.
- Patient encounters grew from 89,000 in 1989 to 1.2 million in fiscal year 2014.
- Mercy Health System's development has resulted in financial stability, growth, and the preservation and creation of hundreds of community jobs. In fact, Mercy is the largest employer in Rock County, Wisconsin.
- Mercy operates 11 physician clinics in the city of Janesville, plus medical centers in
 - Algonquin, IL (three locations)
