

MercyCare

2017 Senior Supplement

Rock, Walworth, Green Counties

The Wisconsin Insurance Commissioner has set standards for Medicare Select policies. This policy meets these standards. It, along with Medicare, may not cover all of your medical costs. You should review carefully all policy limitations. For an explanation of these standards and other important information, see "Wisconsin Guide to Health Insurance for People with Medicare," given to you when you applied for this policy. Do not buy this policy if you did not get the guide.

General information

This brochure provides only a general description of MercyCare Senior Medicare Select Policy benefits, limitations and exclusions. You can find a more detailed description of MercyCare Senior coverage in the policy under covered services. Coverage is subject to all terms and conditions of the policy and any riders.

We’ve added the subject headings in this brochure for easier reading and quick reference. These headings aren’t part of the description of coverage, and aren’t to be used in determining applicable limitations and exclusions.

This outline of coverage doesn’t give all the details of Medicare coverage. Contact your local Social Security Office, or consult Medicare & You 2017 Handbook for more details. To receive a copy of this handbook, call (800) MEDICARE (633-4227). It may also be obtained online at www.medicare.gov.

Outline of Medicare Supplement insurance

Medicare Select Policy

Premium information - MercyCare can only raise your premium if we raise the premium for all policies like yours in the state.

Disclosure - Use this to compare benefits and premium among policies.

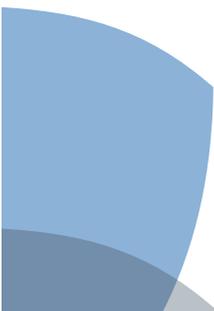

Read your policy very carefully - This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all the rights and duties of both you and your insurance company. It covers some hospital, skilled nursing facility, medical, surgical and other outpatient services that are partially covered by Medicare. This policy does not provide benefits for custodial care such as help in walking, getting in and out of bed, eating, dressing, bathing and taking medicine.

Your right to return this policy - If you find that you are not satisfied with your policy, you may return it to us at MercyCare HMO, Inc., P.O. Box 550, Janesville, WI 53547-0550. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments directly to you.

Policy replacement - If you are replacing another health insurance policy, DO NOT cancel it until you have actually received your new policy and are sure you want to keep it.

Notice - This policy may not fully cover all of your medical costs.

Neither MercyCare HMO, Inc. nor its agents are connected with Medicare.

Why buy Medicare Supplement insurance?

Medicare is great. But, as you probably already know, Medicare doesn't pay for everything. There are Medicare deductibles and coinsurance you have to pay before Medicare pays benefits. And, there's always a chance that a serious illness or injury could exhaust your Medicare benefits. It may seem impossible now, but it does happen. With Medicare coverage alone, you could be left owing a significant amount of money to your health care provider.

Comprehensive coverage that helps fill the gaps left by Medicare.

The MercyCare Senior Supplement policy begins with an excellent core of benefits. Our basic plan covers your Medicare Part A (Hospitalization) and Part B (Medical) coinsurance—costs you would otherwise have to pay out of your own pocket. But that's just the beginning. MercyCare Senior Supplement pays for important services, including:

- \$25 Stay Healthy benefit
- Chiropractic services
- Foreign travel emergency care
- Durable medical equipment
- Equipment and some diabetes supplies
- Home health care services
- Hospital and skilled nursing care
- Immunizations
- Laboratory test
- Licensed ambulance services
- Mammograms
- Medical/surgical services and supplies
- No pre-examination
- No waiting periods
- Physical, radiation and speech therapy
- Prosthetics
- Routine physical exams including eye and hearing exams
- Quality care close to home

Find a detailed description of Medicare Supplement benefits starting on page 5.

It keeps pace with Medicare

Each time the Centers for Medicare and Medicaid Services (CMS), formerly known as the Health Care Financing Administration (HCFA), increases your Medicare deductibles, your MercyCare Senior Supplement benefits will adjust to cover the increase. You can feel secure in knowing your plan will always remain current with Medicare. Each year, MercyCare HMO, Inc. will send you a notice 30 days prior to the effective date of any Medicare changes. This notice will describe the Medicare changes and any changes in your Medicare supplement coverage.

It is guaranteed renewable for life

We promise that your MercyCare Senior Supplement Policy will never be canceled because of your health. As long as you pay your premium on time, MercyCare Senior Supplement is guaranteed renewable for life, as long as you live in the service area and don't provide fraudulent information.

When you have questions, simply call the toll-free number on your MercyCare Senior card. Answers are just a phone call away at (800) 895-2421. MercyCare representatives are available Monday-Friday, 8:30 am-4:30 pm.

Medicare Select Part A Benefit chart

Medicare Select Part A – hospital services – per benefit period

A benefit period begins on the first day you receive service as an inpatient in a hospital and ends after you have been out of the hospital and have not received skilled care in any other facility for 60 days in a row.

| Services | Per benefit period | Medicare pays | If you use a plan provider | |
|--|--------------------|--|--------------------------------------|--------------------------|
| | | | This policy pays | You pay |
| Hospitalization: Semi-private room and board, general nursing and miscellaneous hospital services and supplies. MercyCare Senior will provide benefits for emergency or urgent care while you are temporarily out of the service area. Urgent care is defined as care for an accident or illness occurring while the MercyCare member is temporarily away from the service area and that is required to prevent a serious deterioration of your health before you are able to reach your primary care provider. If it is necessary for you to be hospitalized while out of the area, MercyCare Senior will provide the same benefits as those provided if you were hospitalized at a plan hospital.

This chart only briefly summarizes Medicare benefits. For more details, contact Centers for Medicare and Medicaid or read its Medicare publications, or contact your local Social Security office or read its booklet Medicare and You 2017 handbook.

Your complaint rights

MercyCare is committed to ensuring that your concerns are handled in an appropriate and timely manner. We ensure that you have the opportunity to express dissatisfaction with any aspect of our products.

Premium payments: MercyCare will send you a notice when your premium is due. You should pay this premium by the due dates stated in the notice. To keep this policy in effect, you must pay the premium within the 31-day grace period after the first day of the period for which the premium is due. Coverage under this policy remains in effect during the grace period, and we may deduct the premium due for this coverage from any benefits received before you have properly cancelled the policy.

Automatic premium payment: MercyCare offers automatic withdrawals for your monthly premium payments. Your payments may be withdrawn from either your savings account or your checking account, on the 10th day of each month. If you choose to participate in this program, you will not receive monthly statements from MercyCare. However, you will receive at least a 30-day notice of any increase in premiums.

MercyCare Senior renewal terms: If you or MercyCare do not terminate your MercyCare Senior Supplement, we will automatically renew the policy for each calendar year. You cannot be cancelled because you have used or overused benefits. You can only be cancelled if you do not pay the premium, if you have given us fraudulent information in your application, or if you move out of the service area. Your premium rate will change only when rates for all MercyCare Senior policies change.

Annual premium: \$_____ total for basic Medicare Supplement coverage

In addition to this outline of coverage, MercyCare will send an annual notice to you 30 days before the effective date of Medicare changes. The notice will describe these changes and the changes in your Medicare Supplement Coverage.

Commonly asked questions

What kind of policy is MercyCare Senior?

MercyCare Senior is a Medicare Supplement insurance, but also much more. When receiving health care services from a MercyCare Senior participating provider, 100% of the provider's eligible charges are covered under the plan. You should not receive a bill, nor will you have to be involved in any paperwork. Participating HMO providers agreed to accept payment from the HMO as full payment for the services they provide. Other benefits include health insurance benefits beyond those payable under the Medicare program as described in our outline of coverage, including routine physicals, and eye and hearing exams. If you receive a bill, please contact MercyCare immediately.

Who is eligible for MercyCare Senior?

Anyone living in our service area and enrolled in Medicare Parts A and B is eligible.

How do I enroll in MercyCare Senior?

Simply send your completed application along with your check for the first two months' premium to the MercyCare office. An envelope has been provided for your convenience.

Do I need to get a physical when applying for MercyCare Senior?

No. MercyCare only requires you to answer two easy health underwriting questions found in the application. MercyCare Senior Supplement does not contain any limitations for pre-existing conditions.

Do you cover diabetes supplies?

MercyCare Senior covers non-prescription diabetes equipment and supplies when dispensed by a participating provider, but does not cover outpatient prescriptions.

When will my coverage be effective?

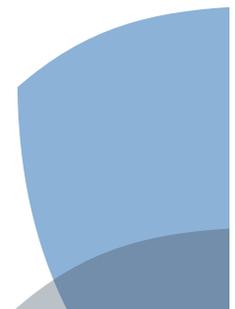

Your application is subject to a health screening. Based upon your health history, your application will be processed, or you will be advised that you are not eligible. Once you have been notified in writing of approval, and MercyCare Insurance Company has a completed application along with the necessary premium, your effective date will be the first of the month following 30 days of receipt of your application.

In completing the application, I notice that I need to choose a primary provider. What does that mean?

As a member of MercyCare Senior you will choose a provider that will be responsible for managing your health care needs. Whenever you need health care services, contact your primary provider. In most cases, your health care needs will be met by the provider that you have chosen.

I've known people who've had trouble with their Medicare supplement insurance. How can I be sure I'll get the coverage I should?

If you have any questions concerning MercyCare Senior or your coverage, please call us toll-free at (800) 895-2421.

Commonly asked questions *continued*

What if I need services my primary care provider (PCP) cannot provide?

Your PCP will refer you when it is necessary to obtain services from another participating specialist.

Does it matter if the specialist to whom I am referred is a participating MercyCare Senior provider?

In the vast majority of cases, MercyCare participating providers can provide necessary health care services. When, however, the primary provider feels it is necessary to go to a non-participating provider, he or she will give you a written referral. The referral must be prior-authorized by the MercyCare health service department. As long as the referral is approved, benefits are paid the same as for a participating provider.

What if I see a provider who is not participating and I do not have a referral?

MercyCare Senior will not provide benefits when services are rendered by non-participating providers without a referral prior authorized by the MercyCare health services department. The only exceptions are in the event of an emergency or if you are out of the service area and in need of urgent medical care. In this case, you or your provider must submit a claim to Medicare for payment. Then, simply submit the Explanation of Medicare Benefits (EOMB) to MercyCare for payment.

Will it be difficult to get a referral to see another provider?

Delivering quality health care to meet your health care needs is a primary goal of MercyCare Senior. If MercyCare does not have a participating provider who can provide the special service that you require, you can be assured we will direct you to a provider who can provide this service.

Are chiropractic services covered?

Yes, medically necessary chiropractic service is covered when obtained from a participating chiropractic provider. Maintenance and longterm therapy is, however, excluded.

Does MercyCare Senior have a limitation of Part A benefits?

No. As long as the condition is covered by Medicare, the MercyCare Senior benefits will be payable.

If I am currently seeing a provider who is not participating in MercyCare will you pay for his service?

No. If you are willing to choose your provider from those participating in the plan, the program may be of great benefit to you. If, however, you feel that seeing a non-participating provider is of great importance, then MercyCare Senior is probably not for you.

Are there services that MercyCare Senior does not cover?

Yes. No health insurance plan covers all medical services. A listing of those services not covered is provided.

What benefits does MercyCare Senior provide that are not commonly found in Medicare supplement insurance policies?

MercyCare Senior provides a unique opportunity for Medicare recipients to obtain health care services without concern for deductibles, co-insurance, Medicare-allowable charges, etc. If you are willing to receive your health care services from participating MercyCare providers, you should not receive any bills for covered services, nor will you have to complete any paperwork or claims forms. Participation in MercyCare Senior brings you quality health care at a reasonable, predictable cost.
