

Walworth County Medicaid/BadgerCare Enrollees

This notice is to inform you that Lakeland Medical Center is not one of our contracted providers. You cannot go to this hospital for urgent care or routine care unless your Primary Care Physician (PCP) tells you to go there. Urgent care is not emergency care. Some examples of urgent care are:

Sprains	Colds
Bruises	Minor Cuts
Minor burns	Non-severe bleeding
Most broken bones	Most drug reactions

If you need urgent care, contact your PCP first or call (608) 758-5770 or toll free (888) 756-6060. We will tell you where you can get care. You must get all of your routine or urgent care from our contracted doctors unless you get approval to see a non-MercyCare doctor.
